PATENT ISSUED TO THE CITY OF REDLANDS, CALIF., FOR CERTAIN LANDS

FEBRUARY 3 (calendar day, FEBRUARY 11), 1925.—Ordered to be printed

Mr. PITTMAN, from the Committee on Public Lands and Surveys,
submitted the following

REPORT

[To accompany H. R. 166]

The Committee on Public Lands and Surveys, to whom was referred the bill (H. R. 166) authorizing the Secretary of the Interior to issue patent to the city of Redlands, Calif., for certain lands, and for other purposes, having considered the same, reports thereon favorably without amendment, and recommends it do pass.

The recommendations of the Department of the Interior are indicated in House Report No. 883.

DEPARTMENT OF THE INTERIOR,
Washington, January 15, 1924.

Hon. N. J. SINNOTT,
Chairman Committee on the Public Lands,
House of Representatives.

MY DEAR MR. SINNOTT: I am in receipt of your reference of December 18, 1923, of H. R. No. 166, with request for report, entitled, "A bill authorizing the Secretary of the Interior to issue patent to the city of Redlands, Calif., for certain lands, and for other purposes."

The bill proposes to grant 80 acres of land to the city of Redlands, Calif., to assist in the conservation of the water supply for said city. The land was withdrawn December 19, 1922, at the request of Hon. Phil D. Swing, by Executive Order No. 3766, under the act of June 25, 1910 (36 Stat. 847), as amended by the act of August 24, 1912 (37 Stat. 497). The above withdrawal is still in effect in accordance with the terms of the order, land is vacant and unappropriated, and this department has no objection to offer to the passage of said bill for the purpose indicated therein.

Very truly yours,

HUBERT WORK, *Secretary.*
